Valet

Thank you parents of Room 22 for last weeks Valet Duty

Valet Continues. Please carefully observe new traffic patterns. Parents using the Valet please get your children to Chandler by 7:50 so we can have a safe valet. Whether you are using the valet or not please make sure to respect our neighbors. Please do not double park, make u-turns in the middle of the street, block the front of the Valet, and park on the north side of Weddington then jaywalking their children across the street or block driveways.

These are examples of things that are not okay. An important reminder that the Valet line is run by parent/guardian volunteers and is only successful if YOU VOLUNTEER! **This week is Room 23, Mr. Garrett's class's turn** Please see the [full schedule](#) and note when it's your class's turn to help!

*****IMPORTANT*****

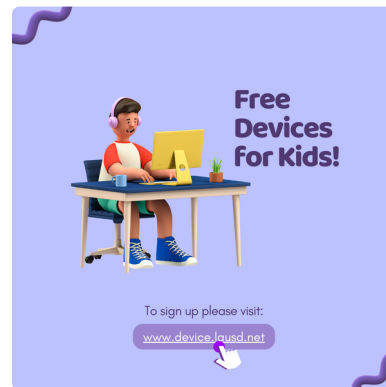

If your child does NOT have an LAUSD Chromebook at home, please sign up for one ASAP. The goal is for everyone to be able to leave their school Chromebooks at school, and use their home Chromebook for HW. 📧

Middle school is coming soon and your child will need a device at home.

There is NO COST to you. 😊 📧

Please sign up right away because this free Chromebook program will be ending soon. 🙄🙄🙄
